G. SESHAGIRI RAO,
Executive Engineer.

ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHT, MYSORE.

Notification dated 16th March 1938.

Sealed Tenders for Carting 600 S.M. Rails, 30 feet long, 50 lbs. section, from Forbes Transformer Station, Narasimharaja Mohalla, Mysore, to T.-Narasipur, to be dumped at various points half a mile away from the road-side marked along the route, will be received in the Office of the Superintendent, Mysore Power and Light, Mysore, till 3 P.M., on 8th April 1938.

Tenders should be in triplicate, addressed to the Superintendent, Mysore Power and Light, and should be enclosed in sealed cover and superscribed "Tender for Carting S.M. Rails, 30 feet long, to be opened at 3-30 P.M., on 8th April 1938."

Tenders must be accompanied, under separate cover, either by Registered Post or Money Order or personally, with a deposit of Rs. 25 as otherwise the tender will not be considered.

The successful tenderer will be required to sign the contract deed.

The rates to be tendered in the columns noted below should be entered in figures as well as in words. When once the tender is accepted, no special rate is allowed on any representation for special consideration.

Payment will be made on bills prepared and submitted by the contractors on special printed forms, once in a month.

The loading and un-loading of rails should be arranged to be done by the contractor himself. The decision of the Superintendent, Mysore Power and Light, for all cartings done, will be final in all cases of doubt.

If the rails are not promptly carted, he will be liable for the loss incurred by the Department in getting the work done by other agencies.

The carting contractor should be in touch with the subordinate, in charge of the Electrification Works of T.-Narasipur or the Superintendent, Mysore Power and Light

In case of urgency or expediency, the Superintendent will be at liberty to order to transport the rails by departmental lorry kept by the department and the contractor will have no claim for compensation on such accounts.

If carts are not supplied as and when required, other carts will be engaged on the spot at the available rates and any extra cost incurred thereby will be debited to the account of the contractor and the contractor will have no voice to question the rate paid.

The Superintendent, Mysore Power and Light, will not bind himself to accept the lowest or any other tender and is also at liberty to accept or reject any or all the tenders, without assigning any reason therefor. He may accept more than one tender, if he thinks there will be work for more than one contractor.
